Wipro Voluntary Superannuation Plan offers an easy and convenient way to help you lead a happy and tension free life by planning your retirement. Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.
- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR. 50,000/- spread over 12 months.

Your position will be **Engineer I – Software Validation** reporting to the **Manager – MSCC DCS Solution Dev - India**, in Bangalore. You will be a full-time employee of Microchip Technology (India) Pvt. Ltd., Bangalore.

Your Total “Cost-to-Company” (CTC) (Total Annual Gross plus Retirals, Benefits, Incentives and Perquisites) will be **Rs. 750,000 (Rupees Seven Lakh and Fifty Thousand Only)** per annum.

On completion of this probation period of six months, you will be deemed to be confirmed in the services of the Company, unless otherwise intimated in writing.

MICROCHIP

Incentive - You are eligible to participate in the Company's discretionary incentive compensation program(s) mentioned below. As the name implies, the purpose of these programs is to give all employees a personal incentive to work diligently in performing their functions as a team member of the Company. The Company's success depends, in large part, on the hard work of our employees; when our employees collectively work hard to make the Company successful, the Company wants those employees to personally share in its economic success.

1. Microchip's Employee Cash Bonus Plan (ECBP), which is a discretionary incentive program based on the Company's profitability and growth. The target for ECBP is up to 3.85% of your annual base salary payable quarterly (e.g. hourly rate * 20 hours = target). The actual amount may vary depending on the discretion of the Company, taking into account your performance and the Company's profitability.

All payments under the plans are in the discretion of the Company and are not included in calculations for benefits upon termination of employment or other relevant entitlements. To be eligible for any incentive compensation you must meet all applicable terms and conditions, including but not limited to the following and others as may be communicated to you from time to time:

- Be an employee by the prescribed start date of the beginning of the quarter and remain an employee through the date the bonus is paid (it is not sufficient to be employed on the last day of that quarter and then leave the Company's employment before the bonus is paid out).
- Be an active contributor to the Company's success during the quarter as determined by the Company; in particular, you must have actually worked for at least 51% of the quarter. An employee who takes a leave of absence during a quarter and, consequently, actually works less than 51% of the quarter is not eligible for that quarter's bonus. Because our incentive bonus plan is intended to reward your contribution to the Company's success, employees who actually work more than 51%, but less than 75%, of the quarter will have their bonuses prorated to 63% of the bonus paid to employees who worked 75% (or more) of the quarter.
- Be a fully contributing performer in your role towards Microchip's success throughout the quarter: However, in cases where management have identified specific performance issues, either on an individual basis or group (BU) basis, then the Company reserves the right to apply an IPF (Individual Performance Factor) or BPF (Business Performance Factor), which will result in a reduction in the standard bonus that is being paid out for the quarter. The IPF/BPF factor is calculated in the form of a percentage. For example, a

75% IPF/BPF would result in the quarterly bonus payment being reduced to 75% of the actual payout for the quarter. This process may also be repeated during subsequent quarters, if performance continues to remain below stated expectations, with modifications being applied to the level of reduction as appropriate.

- Be a positive contributor to the Company's success; in particular, employees who have been on a Performance Improvement Plan (PIP) or Attendance Notice II (ANII) anytime during the quarter or as of the payout date are not eligible to receive incentive compensation for that period.

You are personally responsible for all taxation associated with this remuneration package.

You will also be eligible to participate in Microchip Technology (India) Pvt. Ltd.'s employee group benefit program. All of these benefits and enrollment periods will be explained to you after your joining the Company.

Yamini, the above summarizes the highlights of our employment offer. We feel you will make a vital difference in the overall success of our business and look forward to you joining the Microchip team.

Sincerely,

For Microchip Technology (India) Pvt. Ltd.
