REPORT ON ICRDBI

10.03.2021

Siddharth Institute of Engineering & Technology organized a Virtual International Conference on Research Trends in Deep Learning, Big Data and IOT (ICRDBI-2021) on 26th and 27th of February, 2021. It was the latest milestone in the history of conferences conducted by SIETK. The main objective of the conference was to bring together academicians, research scholars and students' community from various Institutions, Universities and Industries to discuss the relevance of futuristic technologies emerging in this area, across the globe. It became a great opportunity to exchange innovative technological ideas under one roof.

Dr. K.Ashok Raju, Chairman of Siddharth Group of Institutions was the Patron of the conference. Dr. K.Chandrasekhar Reddy, Principal, was the Chief Patron, Dr.Bhujanga Rao, Former Scientist and Director General of DRDO was the Honorary Chair of the conference. The conference was a great success. Thanks to the conveners and the members of the organizing committees for their immense support.

A total of more than 300 participants took part in the virtual conference and a total of 106 quality conference papers from different universities and institutions were selected for publication after a rigorous scrutiny by the paper review committee. The selected papers were published in the conference proceedings of Siddharth Institute of Engineering & Technology. Many eminent personalities from the stream of academics and industries from national and international institutions and organizations participated in the virtual conference.

The Virtual Conference achieved paramount success.
