Report**

An awareness program "Technology careers for Women" for girl students was organized by Women Empowerment Cell on 15-12-2016. It is an event meant for giving awareness to the girl students about the career prospects available for women in technological field along with the more traditional careers such as teachers, doctors, nurses etc. As majority of the students of the institution hail from rural background there is every necessity to conduct such events in the institute. Many students expressed their thanks for conducting such events in the organization as many of them are unaware of such opportunities. Siddharth Group Institutions Chairman Dr K. Ashok Raju graced the occasion. A quiz contest was conducted on the eve of the event. Dr K. Ashok Raju distributed the prizes to the winners.

## Awareness programme for Women on Self-defence 07-11-2016

### Report

Self-defence is essential for any individual at the time of crisis. Women are more vulnerable to attacks in the society. Along with promoting values such as gender equality among male students it is equally essential to create awareness on self-defence for female students to protect them from untoward incidents. Women Empowerment Cell of Siddharth Institute of Engineering & Technology, Puttur is front runner in conducting such events. An awareness program for women on self-defence was organized on 07-11-2016 for the students. A small skit was presented portraying untoward incidents and self-defence movements to be used by women under crisis. Majority of the students participated in the event and learnt self-defence techniques along with values to protect one-self in critical and untoward incidents without panicking.
