CODE OF RESEARCH ETHICS

This Institute gives utmost importance to encourage its faculty to follow ethical guidelines established by the college and the UGC in carrying out the research activities under which the college has established internal ethics committee for research involving Science, Engineering and Technology subjects. The research proposals have to be approved by the committee. Plagiarism Check is another important requirement that the college insists for all the PG and Ph.D. thesis to go through plagiarism check and the certificate is to be submitted with the signatures of research guide, Head of the department of the concerned and the Principal. The plagiarism software is made available in the college to check research articles, proposals, and project reports, besides using plagiarism check to regulate the student's projects.

This Institute encourages the departments to conduct workshop in research methodology where ethics in research is an integral part; awareness is also created to faculty members by invited talks on IPR, Patents and ethics in research. The Institute shall consider all incidents of misconducts of research seriously and shall ensure initiating of enquiry process and adjudication of such misconduct. The R&D committee view research misconduct as an extremely disturbing element and considers it as a threat to the basic principles and standards of research in the college which strives to promote and maintain outcome based research which has social relevance.
