VIT CHENNAI

VIT for the past 34 years has made a mark in the field of higher education in India imparting quality education in a multi-cultural ambience, intertwined with extensive application-oriented research. VIT was established with the aim to provide quality higher education on par with International Standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. VIT was established by well-known educationalist and former parliamentarian, Dr. G. Viswanathan, Founder and Chancellor, a visionary who transformed VIT into a center of excellence in higher technical education. Govt. of India recognized VIT as an Institution of Eminence (IoE). ARIIA, Govt. of India recognized VIT as a No. 1 Private University for Innovation. MHRD, Govt of India ranked VIT as No. 15 among the Engineering Institutions (NIRF-2020 ranking). VIT Chennai is ably spearheaded by Mr. Sankar Viswanathan, Vice President, Ms. Kadhambari S. Viswanathan, Assistant Vice President, Dr. Rambabu Kodali, Vice Chancellor and Dr. V. S. Kanchana Bhaaskaran, Pro-Vice Chancellor. They share in the mission to make VIT a global center. The focus are:

- To maximize the Industrial connectivity
- To create Centers of Excellence in contemporary areas of research
- To enrich Technological and Managerial Human Capital nurtured in a multicultural ambience
- To provide a common platform for the agglomeration of ideas of personnel from various walks of life for learning enrichment
- To create opportunities and exploit the available resources to benefit industry/society
- To encourage participation in the National Agenda of knowledge building
- To foster International collaborations for mutual benefits in areas of research
- To maximize the Industrial connectivity
- To create Centers of Excellence in contemporary areas of research
- To enrich Technological and Managerial Human Capital nurtured in a multicultural ambience

About School of Civil Engineering

The School of Civil Engineering (SCE) is of the best civil engineering colleges in Chennai, and has grown into a completely developed school with the faculty members from all the major areas in civil engineering with most of them having doctoral degrees from eminent institutions across the globe with industrial and research exposure. The school offers B.Tech. programme in Civil Engineering, M. Tech. programme in Structural Engineering and Ph.D. degree programme in various contemporary topics with tailor-made curriculum and syllabus to meet the current industrial standards, on par with the best civil engineering colleges in Chennai. The school embraces applied learning through research in all the courses of civil and structural engineering. True to its stature as one of the best civil engineering colleges in Chennai, the school has modern facilities, enabling cutting edge research in a wide spectrum of technological areas. This enables the students in acquiring required skills to excel in their fields of interest. The students from the school are highly successful in getting excellent opportunities to join industry, having their own start-ups, or in pursuing higher studies in leading universities in India and abroad. As one of the best civil engineering colleges in Chennai, we exhibit a strong relationship with our alumni, industries and with research institutes in India and other foreign universities. This active collaboration has cemented our place among the best civil engineering colleges in Chennai and enabled our students as alumni to take up roles in prestigious organisations and academic institutions across the globe.

Objective of AIMCE-2020

To train the participants on the Artificial Intelligence (AI) enabled tools in construction technology and Structural engineering.

To inculcate the research process through AI model and demonstrate the power of AI in solving complex civil engineering problems

To
The Principal,
SIETK,
PUTTUR.

Dear Sir,

Sub: Permission to attend Conference/Workshop with Financial support - Request-Reg.

This is to bring to your kind notice that I am herewith submitting the application for attending
Conference/Workshop during 16th November - 2020
on "Coastal Quality Management for Aquaculture
at National Institute of Technology, Puduchery

Hence, I request you to grant me to attend the Conference/Workshop with financial support towards
the enclosure (Annexure- I).

Thaking you,

Encl.

National Workshop on

Water Quality Management for Aquaculture (online mode)

November 16, 2020

Organized by :

Department of Electronics and Communication Engineering
National Institute of Technology Puducherry
(An Institute of National Importance under the Ministry of Education, Government of India)
Karaikal - 609 609

सत्यमेव जयते
Department of Science & Technology
Govt. of India

As part of the project :

Design and Development of IoT Based Low Cost Water Quality
Monitoring and Reporting System for Aquaculture

Funded by :

Science for Equity, Empowerment & Development (SEED) Division,
Department of Science & Technology, Govt. of India.

National Institute of Technology Puducherry, Karaikal

PUTTUR.

Dear Sir,

Sub: Permission to attend Conference/Workshop with Financial support - Request-Reg.

This is to bring to your kind notice that I am herewith submitting the application for attending

Conference/Workshop during 11th Jan 2019

on NPTEL Course

at Sree vidyaniketan Engineering College, Tirupati

Hence, I request you to grant me to attend the Conference/Workshop with financial support towards the enclosure (Annexure- I).

Thaking you,

Encl.

PUTTUR.

Dear Sir,

Sub: Permission to attend Conference with Financial support - Request-Reg.

This is to bring to your kind notice that I am herewith submitting the application for attending Conference during 14-07-2017 to 15-07-2017 on International Conference on Advances in Engineering, Management and Sciences. At Santhiram Engineering College, Nandyala. Hence, I request you to grant me to attend the Conference with financial support towards the enclosure (Annexure- I) .

Thanking you,

Encl.
