SIDDHARTH NAGAR, NARAYANAVANAM ROAD, PUTTUR – 517 583  
CHITTOOR DIST., A.P., INDIA

**POLICY ON GREEN CAMPUS**

Siddharth Institute of Engineering & Technology is committed to exhibit more sensitivity and responsibility in implementing green concepts in the campus. The campus sustainability initiatives were created with the aim of promoting green practices in and beyond the institution as well as developing best practices environmental management solutions. Although establishing and maintaining a green campus is vital, our main objective is raising awareness of green practises among students and educating stakeholders.

SIETK places a strong emphasis on environmental quality, and it works to protect the environment by adopting green campus activities and maintaining a pollution-free, green, and clean campus. With the educational policies adopted on campus, its primary goal is to improve the environment. The following thrust areas are identified towards Clean Campus and Green Environment:

- Waste Management
- Water Conservation and Management
- Paperless office
- Eco-friendly Canteen
- Energy Use and Conservation
- Landscaping with Trees and Plants
- Restricted entry of Automobiles
- Use of Bicycles/ Powered Battery-Vehicles
- Pedestrian Friendly path ways
- Ban on use of Plastics in the Campus.

**Green initiatives beyond the campus**

Green Campus Programs are to be promoted and developed beyond the campus. Siddharth Institute of Engineering & Technology always receives strong commitment and support from management for establishing sustainability in and beyond the campus. Green Neighbourhood promotional initiatives will impart social skills in Siddharth and raise community awareness about pollution control, energy conservation, and agricultural environmentally sensitive areas preservation. Green Campus programmes will be initiated by NSS volunteers under the direction of the NSS College Program Officer.
